

I would like to send my heartfelt appreciation to the Parishioners of St. Joseph's, your very generous donation has provided training in our community and essentially saved lives. The kindness and support you have given so selflessly has touched me deeply so thank you. without people like you PIRS would not exist you have played a significant role in helping to reduce suicide through equipping others with the tools to save lives.

Suicide is Everyones
business

Thank you for making
it yours

Thank you.
